### Biography

Dr Ting is an experienced general obstetrician and gynaecologist with more than 15 years of clinical practice experience in obstetrics & gynaecology (O&G) in several countries including New Zealand, United Kingdom (UK), Singapore and Malaysia.

She is a skillful gynae-laparoscopic surgeon and has performed over 1000 cases of laparoscopic hysterectomy, myomectomy and cystectomy.

Dr Ting is one of the few gynae-laparoscopic surgeons in Singapore to be accredited with Level II and III Minimally-Invasive Surgery (key-hole surgery) Accreditation by KK Women's and Children's Hospital, Singapore.

Dr Ting has a wide range of clinical experience in managing O&G cases with advanced pathology. The largest uterus removed abdominally has been 3kgs and the largest uterus removed laparoscopically was 1.1kgs.

Dr Ting is fluent in several languages and dialects including English, Chinese, Bahasa Malaysia, Bahasa Indonesia, Foochow, Hokkien and Cantonese.
