Biography

Most recently, Assoc. Professor Vincent Yeow was the Head of Department of Plastic, Reconstructive & Aesthetic Surgery of KK Women's & Children's Hospital and the Director of the Cleft and Craniofacial Centre as well as the Plastic Reconstructive and Aesthetic Surgery Centres at KK Hospital, Singapore.

He is the immediate past president of the Singapore Association of Plastic Surgeons. In recognition of his regional and international standing, Dr Yeow is also on the Executive Council of the Asian Pacific Craniofacial Society as well as the Asean Federation of Plastic Surgeons. Dr Yeow is also the only Singaporean to be accorded full membership to the International Society of Craniofacial Surgery.

A/P Yeow has published chiefly in the areas of cleft lip and palate as well as craniofacial surgery, and has edited and co-authored over 30 publications.

A/P Yeow is currently also serving as the Organising Chairman of both Aesthetics Asia, which is the largest Medical Conference on Aesthetic Medicine in Asia, as well as the Allergan Breast Surgery Centre of Excellence Workshops which are held every half yearly at KK Hospital.

A/P Yeow is currently the Chairman of Operation Smile Singapore and continues to engage in providing free medical treatment for children with deformities of the head and face in the region. He has been participating and organizing such missions since 1995.
